# CV INTEROPERABILITY STATE OF THE ART STUDY REVIEW AND CV CROSS-INTEROPERABILITY WEB-SERVICE (FOR WHAT, WHY AND HOW TO USE IT) - ABSTRACT

*Marc Van Coillie (EifEL)*

---

## **Abstract:**

This session will include:

- a summary of CV related services interoperability study,
- a summary State of art of CV profiles and specifications,
- concrete demonstration of cross interoperability between main CVs profiles using the Europass / Europortfolio HR-XML and IMS CV Application Profiles and a webservice: (1) Cedefop Europass, (2) HR-XML Candidate, (3) German CV, (4) French CV Universel, (5) iProfile UK, (6) hResume micro-format, (7) IMS ePortfolio export from Guinti LearneXact, PebblePad, Winvision).
- a short explanation about how to access and use this online free web-service from your system, how to deploy the opensource code internally if needed and the actual issues regarding security aspects.

**Keywords:** eportfolio, hr, cv, ims, europass
