Session Overview

Date: Wednesday, 22/Oct/2008

8:30am Welcome coffee

-

10:00am Location: [Lobby](#)

9:00am S1.0.A: Building a Personal Learning Environment in the Web 2.0 cloud (part 1)

- An Interactive ePortfolio Master Class by Helen Barrett, International ePortfolio

10:00am Consultant, USA.

This workshop will focus on Web 2.0 tools that can be used to construct a PLE (Personal Learning Environment) for a variety of purposes, and provide a broader look at using these tools within the context of ePortfolios and Digital Identity: Web Aggregators/AJAX Start Pages (such as ProtoPage or NetVibes), Blogs & RSS Feeds, Social Networks, and Interactive Productivity Tools.

To fully benefit from the workshop, please bring your computer.

Setting the Stage

- Sharing our collective learning goals through the Ning community
- Setting up a web aggregator/AJAX Start Page

Location: [05 - Paris](#)

10:00am Coffee Break

-

10:30am Location: [Lobby](#)

10:30am S1.1.A: Building a Personal Learning Environment in the Web 2.0 cloud (part 1) | S1.1.B: Interoperability | S1.1.C: VRM: getting control of your data and its | S1.1.D: Building Trustworthy

<p>1:00pm Environment in the Web 2.0 cloud (part2) An Interactive ePortfolio Master Class by Helen Barrett, International ePortfolio Consultant, USA.</p>	<p>Workshop Chair: Marc Van Coillie The objective of this workshop is to support the efforts of publishers and users of information systems in the creation and implementation of interoperable technologies. Publishers and users of ePortfolio, digital identity, learning and HR technologies will have the opportunity to explore real life scenarios where a number of different technologies have to work together. This workshop will include interoperability demonstrations, presentations and panel discussions regarding UK Leap2 draft specification, IMS ePortfolio Netherland and HR-XML Europortfolio/Europass CV to increase ePortfolio user data interoperability. Location: 09 -</p>	<p>economic consequences. Chair: Graham Sadd 'VRM, or Vendor Relationship Management, is the reciprocal of CRM or Customer Relationship Management. It provides customers with tools for engaging with vendors in ways that work for both parties'. (source). During this session, we will explore how the concept of VRM is being implemented and how this could be generalised to different types of relationship, e.g. <i>Employer Relationship Management</i>, ePortfolios and other systems where people can exploit, including monetise, their personal data. Confirmed speakers</p> <ul style="list-style-type: none"> • Peter Murton (mysortingoffice.com - Spam-Free email and Permission-Based Marketing) • Bart Stevens (iChoosr - RFP application) • Davor Meersman (mass customer involvement in product innovation processes) <p>Location: 02 - Berlin</p>	<p>Architectures Workshop Chair: Jeroen Hoppenbrouwers This workshop will explore how it is possible to build trusted architectures to support service user-centric tools and programs related to employability and eHealth, based on state of the art technology and the first outcomes of a major European research project TAS3. The workshop will contain three brief presentations by selected panelists, followed by three discussion sessions on the topic presented and one overall panel session to conclude.</p> <ul style="list-style-type: none"> • 10:30 Introduction by Jeroen Hoppenbrouwers. Why do we need trusted architectures? What elements does such an architecture need? • 11:00 Danny De Cock on Trusted Transactions How can computer systems make sure that data they pass along will not be abused beyond the end user's original intent? • 11:30 David Chadwick on Trust Negotiation. How do portfolio systems establish trusted relationships that
<p>ePortfolio processes with Web 2.0</p> <ul style="list-style-type: none"> • Collection: Setting up Web-based document storage • Reflection: Sharing our reflections through blogging and RSS Feeds • Direction: Using social networking to support informal and formal learning

Location: 04 - Brussels

1:00pm Lunch

-

2:00pm Location: Lobby

2:00pm P1: Digital Identity: a 21st Century Imperative

-

Chair: Luk Vervenne

3:00pm This year the international ePortfolio conference has invited key actors to address the central issue of Digital Identity and Privacy. A panel discussion will follow the keynote presentation.

Location: 04 - Brussels

Presentations

User centric identity: from virtual business cards to VRM

Kuppinger, Martin

Kuppinger Cole

2:00pm S1.2.A: Building a Personal Learning Environment in the Web 2.0 cloud (part 3)

-

An Interactive ePortfolio Master Class by Helen Barrett, International ePortfolio

4:00pm Consultant, USA.

Web 2.0, an Architecture of Interaction

Collaboration: Using Interactive Productivity Tools (GoogleApps, Wikis)

Location: 05 - Paris

3:00pm Coffee Break

-
3:30pm Location: [Lobby](#)

3:30pm S1.2.B: Interoperability Workshop: S1.2.C: VRM: getting control of your data and its economic consequences.
- Official launch of the Liberty

5:30pm Alliance, HR-EDU Special Interest Group. Chair: Graham Sadd
Part 2 of the VRM track, with a focus on business cases.

Chair: Marc Van Coillie

The objective of this workshop is to establish the foundations of an interoperability framework for human resource management and education in a lifelong learning perspective. This will be the first activity launching the official formation of the Liberty Alliance HR-EDU SIG.

The workshop will offer participants the opportunity to debate key issues and contribute to the definition of a workplan for future activities

The list of founding member organizations includes the following industry leaders: EIfEL, Entr'ouvert, Symlabs, iProfile.org, EuroCV.eu, StepStone. This SIG operates fully in the public domain and is open to public membership.

- John Power (Chill.ie - VRM approach to insurance brokering)
- Anne Veen (CCE, VRM approach to recruitment of young high potentials)
- Caren Kunst (Good Care Support - VRM experiences in eHealth)

Location: [02 - Berlin](#)

Location: [04 - Brussels](#)

4:00pm S1.2.D: Regions Meet Regions

- Chair: Odile Wolfs

6:00pm A interactive seminar and networking event where regional stakeholders meet international experts and colleagues to address the issue of regional ePortfolio strategies with Paul Wasko (Minnesota USA), Norman Longworth (University of Stirling Scotland), Rens de Groot(Calibris NL), Marij Veugelers (SURF NL), Samantha Slade (Percolab Canada), Jan Bartling (ROC-i NL), Paul Messer (Careers Wales,UK), and many more.

Please note that this event does not take place at MECC, but at La Bonbonnière

Achter de Comedie 1

6211 GZ Maastricht [link](#)

Location: [La Bonbonnière](#)

6:00pm [Poster: Poster Session](#)

- The Poster sessions will take place in the lobby 22-23-24.

7:00pm Location: [Lobby](#)

Presentations

NES e-Portfolio: a platform for learning across the health professions

Alexander Haig, Claire Tochel, Karen Beggs

Use of an e-portfolio to support the recording of extra-curricular activities.

Olivia Fox

SWIFT – Bringing Identity to the network stack

Ronald Marx, Dr. Kpatcha M. Bayarou

6:30pm Welcome Reception

- A welcome reception offered by Major Gerd Leers of Maastricht City and Region to all speakers, sponsors, exhibitors, and regional representatives.

8:00pm

Please note that this event does not take place at MECC, but at the City hall ([map](#)).

Date: Thursday, 23/Oct/2008

9:00am [P2: Setting the ePortfolio and digital identity scene](#)

- Chair: Serge Ravet

11:00am Chair: Marij Veugelers

Welcome: **Odile Wolfs**, Provincie Limburg.

Location: [Auditorium 2](#)
