

## The Development, Design and Use of the First Complete Skills for Life Online Delivery Platform.

Bill Knight-East London eLearning  
Angus Turpin- Manager UK GiuntiLabs

## Giunti Overview

## Giunti Snapshot

Learn eXact's 'wow' factor is its ability to export interactive learning directly to mobile format as well as other training content types....The mobile format delivers genuinely interactive learning screens and the ability to record and upload information back to the LMS from PDAs and other mobile devices.

*I'm not aware of any other tools that can do this – let us know if you do!*

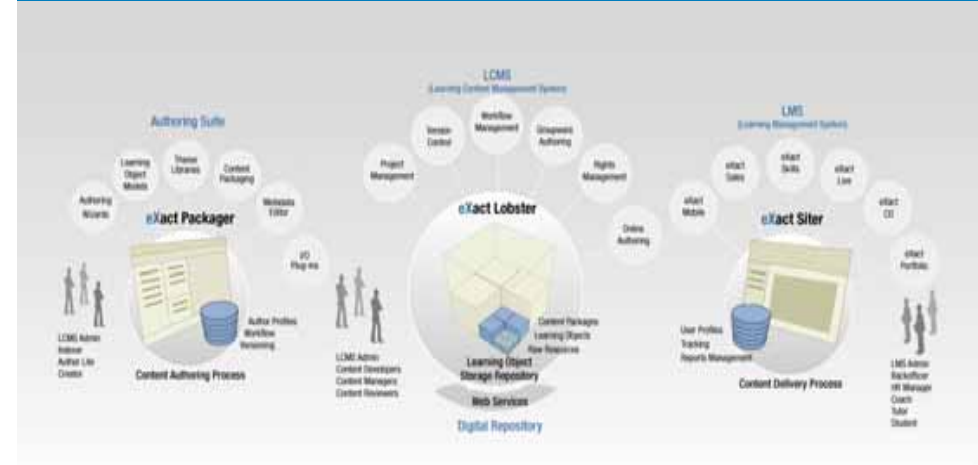

Kineo Consulting  
Brighton UK March 2007

- > 500 year Publishing History
- > Leading EU R&D Player.
- > One of Europe's leading content producers
- > Global Leader in Learning Standards

## learn eXact LCMS - Flexible, Modular Solution

- > Modular architecture to be installed on the back end of any standards based LMS

## Next steps

1. Pilot with current and prospective learners
2. Refine programmes as necessary
3. Agree a pricing policy
4. Create programmes to apply to other qualifications (NVQ / ITQ)
